The Chateaugay Revitalization Committee (CRC) is happy to report that even though Santa was unable to do his usual Holiday visit to Chateaugay this year, that he did send his elves with a shipment of merriment to share!! The halls of Chateaugay Central were filled with Holiday spirit on Friday December 8, 2020 as the children received stockings filled with goodies.

Mrs. Calnon reported that the children were bursting with excitement! The stockings were distributed to children in Prekindergarten all the way up to and including 4th grade.

Two hundred stockings were filled and delivered to school by volunteers. The stockings included, a holiday tumbler, crayons, M&M's, Hot cocoa, chips, juice box, a holiday plush animal, and a jumbo Holiday activity/coloring book. The children sent some wonderful Thank you notes to the CRC, they just delightful! We are so happy that the CRC was able to continue our holiday tradition, if albeit differently this year. The support of our wonderful community helps make these projects possible.

Community Basket Program a Huge Success

The Annual Community Christmas Basket Project was a great success under the direction of Lorraine Childs. There were almost 80 families helped. Oodles of toys were collected at local churches, local businesses & from CCS teachers even though school was not in session. Thanks to the businesses that allowed a collection box to be placed in their stores: Alix's, Family Dollar, Veterinary Services & IGA. Thanks also to the IGA for running the Tag Project where the program received \$800 and for donating some turkeys. Mike Jones donated potatoes again, as he has for several years. Stewart's generously donated 100 milk cards! Thanks goes to the many people who so willingly donated money, which allowed each basket recipient to receive a full Christmas dinner & some gift cards. Many, many wonderful toys were donated, such that each family with children had toys to make their Christmas brighter. Of course, thanks goes to the volunteers who help pull this all together. This year, many students were involved & they did a fantastic job. Masks were worn by everyone. The generosity of people continues to amaze, especially this year when things were so out of normalcy. Happy New Year to everyone reading this!!
